# RECREATIONAL LAND

Presented by the RLI Minnesota Chapter May 17-18, 2022,  
8:00-5:00 each day

## ABOUT THIS COURSE

Instructor: Joel King

Recreational land real estate is a diverse and growing segment within the land industry.

Regional opportunities exist in land sales used for hunting, fishing, boating, ranching, camping, and more.

The overall goal of this course is to introduce real estate professionals to the tools needed to work with buyers and sellers of all types of recreational property.
